Wednesday 23 November

#### **Swimming Lessons**

Monday 28 November to Friday 9  
December

*(see more important dates further on)*

## PRINCIPAL'S REPORT

Term Four has seen a very busy schedule for all students and staff.

We have had Lucy Daniel from **Snowy Valleys Speech Pathology** visiting to test some students. She will share ways for our staff to help students improve in many areas from speech sound production, comprehension, Grammar, sentence structure, vocabulary, reading, spelling and social skills. These skills will benefit students across the entire school.

**Kindergarten 2023 Transition** has commenced. It looks as though we will have two new Kindergarten students next year which is very exciting. Grace and Hailey are exploring aspects of the Rose room and learning what things will be like when they start big school.

**High School Transition** went well for our Year Six students. Evan and Layla were able to find their way around the high school and have met the other students who will be in Year Seven next year. There is a parent information session next Wednesday at the high school.

Senior students will head off on the **ALPSS Senior Excursion** to the South Coast and Canberra in Week 7. Their week will be packed solid with numerous activities so we know they will have so much fun.

While the seniors are away, there will be two Kindergarten transition days followed by the **ALPSS Junior Excursion**. Our students will join those from Humula and Talbingo to play in some parks, ride on the miniature railway and some other exciting activities. The cost of the bus will be covered by the school and the cost of the train ride will be covered by Humula PS. The Rosewood P&C has kindly paid for lunches for all attending including the staff.

**Swimming Lessons** will be slightly different this term. Instead of a week this term and a week next term, we will be having a full fortnight of lessons this term. Bernice Davey will be assisting Mr Bell as an additional instructor. Notes will go home for these soon. All students are required to participate and to remain SunSmart, a t-shirt or rashy must be worn. At some stages, these may be removed whilst in the pool and sunscreen will be applied.

Rosewood held an early **Remembrance Day** service on Monday to avoid clashing with the Tumbarumba service today. Students read well and were great representatives. As usual, there were many comments from the community about the great job our school does when we have services such as this. Well done to everyone. Thank you to our guest speaker, Mr John Reeves from the Tumbarumba RSL Sub-branch. Students and staff from Humula PS traveled to Rosewood. Thanks also goes to all who attended and then returned back to the school for morning tea. The P&C put on a massive spread of cakes, sandwiches and other treats, and we thank you for that. Layla and Evan represented Rosewood at the Tumbarumba service today and both displayed themselves with maturity. They have proven to be ready for the next step at high school.
