APLSS Swimming Carnival - all students will be attending the swimming carnival on Friday 10 February. Permission notes went home and are due back now. Students who do not have signed permission will attend the carnival but will not enter the water. All parents and friends are invited to come along and cheer on the students.

Upcoming activities - we expect to participate in 'Bullying noWay!', Harmony Day and National Ride2School Day all coming up in March. More information will go home regarding these activities.

Facebook - our main platform to inform parents of last minute changes will continue to be with the School's Facebook page. Please ensure your notification settings are turned on to keep you updated. Mrs Lavis and myself can be contacted via Messenger if you need to get a message to the school. This can be for last minute changes to a student's routine, to explain a student absence or for general questions. If you have not received a response, please do not assume it has been seen, especially if it is at the end of the school day. We'd hate to have a miscommunication if a child needs to go home a different way and the message hasn't been seen.
