Rewards Day

## Humula Public School

Humula students are joining us this term on Friday's, even weeks as a trail to mix with other students.

### ALPSS Swimming Carnival

This Friday 16th February at the Tumbarumba Community Pool. Please ensure students arrive at school by 8.45am, so the bus can leave at 9am. School hats will be provided. Students will need to bring a change of school clothes, towel, bag to put wet towel and swimmers in. Please pack recess, lunch and water bottles. Parent helpers would be greatly appreciated to help with timekeeping please. Spectators charged \$1 admission to the pool, unless volunteering to help on the day as a time keeper.

**Please note that on the day of the swimming carnival there will be no Telstra phone reception in Tumbarumba. The pool has a phone and its phone number is (02) 6948 2351.**

### Attendance Matters 2024

Goal: Every child has above 90% attendance each Term. (This means your child only having 5 days off a term without a medical certificate).

Reward: At the end of each term there will be a reward day where we travel via bus to have some fun e.g. ten pin bowling, laser tag, movies, rock climbing and lunch.

Note: We understand that students can become unwell and have more than a week off and we do not want to make others sick. Therefore if a medical certificate is provided for sences then this will be an exemption and not be included in the 5 days.

**Cooking** - we are very lucky to have Mrs T (Turner) returning this year for cooking lessons. These will take place most Thursdays and the students will learn new techniques and recipes as well as hygiene, food safety and correct terminology. Everyone loves participating in the lessons and all students are encouraged to have a go at tasting new foods.

**Facebook** - our main platform to inform parents of last minute changes will continue to be with the School's Facebook page. Please ensure your notification settings are turned on to keep you updated. Mrs Jacka and myself can be contacted via Messenger if you need to get a message to the school. This can be for last minute changes to a student's routine, to explain a student absence or for general questions. If you have not received a response, please do not assume it has been seen, especially if it is at the end of the school day. We'd hate to have a miscommunication if a child needs to go home a different way and the message hasn't been seen.
